

AGENDA ITEM: CLSA Statewide Data Base**GENERAL OVERALL PROGRAM UPDATES:**

CURRENT STATUS: The CLSA Statewide Data Base Program continues to support resource sharing throughout the state.

2002/03 Subsidy and One-Time Grants

At its August 2002 meeting, the Library of California Board approved continuing the OCLC and Z39.50 annual subsidies for public libraries and CLSA cooperative library systems in 2002/03. In addition, the Board approved allocating any CLSA Statewide Data Base funds not required for the annual subsidies, for competitive grants to public libraries for Z39.50 server software acquisition. The Board also approved reducing the Statewide Data Base allocation by \$100,000, due to the reduced CLSA appropriation in the State budget, lessening the financial burden on all other CLSA programs in fiscal year 2002/03.

The table below is a summary of the subsidy and grant applications received at the State Library. Exhibit A presents current Z39.50 accessibility information for CLSA libraries by type of server access and cooperative system. Exhibit B lists the same information arranged alphabetically by library. Exhibit C contains the full list of all libraries and their application status for 2002/03.

CLSA Statewide Data Base Funds as of December 12, 2002		
Subsidy/Grant	Applications Received	Dollar Amount
OCLC subsidy (\$69)	15	\$ 1,035
Z39.50 subsidy thru direct access <i>or</i> resource sharing servers (\$550)	57	31,350
Z39.50 subsidy thru direct access <i>and</i> resource sharing servers (\$800)	63	50,400
Regional server subsidy (\$5500)	10	55,000
Z39.50 grant (up to \$7500)	3	22,223
Grand Total		\$160,008
Remaining Funds		\$ 14,992

Contributions to OCLC

Following early data collection efforts, which led to the production of a microfiche catalog, the California Library Services Board selected OCLC in 1984 as a service utility to provide the CLSA Data Base online. Contributions of records and holdings are made to OCLC under a variety of contractual agreements with California public libraries. The number of holdings records at the end of each of the five previous quarters was:

December 2001	19,936,359
March 2002	20,449,855
June 2002	20,661,271
September 2002	20,680,163
December 2002	20,814,558

During the twelve months prior to the middle of December 2002, 878,199 holdings records were added to OCLC at an average of over 73,183 records per month. The latest holdings report from OCLC is attached as Exhibit D to this agenda item

RELATED ISSUES TO COME BEFORE THE BOARD IN THE FUTURE:

1. Update on 2002/03 subsidy claims.
2. Update on OCLC California public library holdings.

Relevant Committee: Support Services

Staff Liaison: Ira Bray
